Short Report of the Relief Program

The team of NIRN Nepal have visited area to assess the real need of victims hearing so many clashes among communities for relief packages, Peace pray for earthquake victims and counselling with coordination Religion for Peace, Nepal Muslim Women welfare Society, Shanti Sewa Asram, Bahai Centre and Universal Peace Federation

We have visited Ramkot, Rasuwa, Okharpauwa Icchngu Narayan, Dolkha, Imadol, Sarsu Kaarka VDC of Kavrapalchok, Batase VDC of Sindupalchowk Dadikot . The focal persons of respective VDCs gave details regarding his village. The focal persons coordinated with relief communities in their village. People had already gathered to welcome us. We handed over relief materials to the villagers. Whole process was completed in very peaceful. The communities were very happy that they got support and shared their troubles. They were anxious about their future. They are afraid of working in their frame since their frame is cracked. They seemed to be positive towards their life. According to them their greatest strength in all villagers are together they will raise again.

Reflection

- The relief items were distributed without and conflict.
- They were very thankful to receive the items.
- Some people have already built their tin sheds themselves.
- Do not bring wai wai they are fed up of this
- Need of roof tin
